Ref. Nr. KK 60/18

**Mr. Pavel Rychetský,
President of the Constitutional Court of the Czech Republic
Chairman of the XVIIIth Congress of the Conference of European
Constitutional Courts**

Honorable President Rychetský,

The Constitutional Court of the Republic of Kosovo is the youngest institution of its kind in Europe which has become already mature enough to claim its position amongst the other European constitutional courts.

Since its establishment in 2009, the Court has managed to successfully establish cooperation relationship with most of its counterpart courts around the world and is a member of the World Conference on Constitutional Justice since September 2014.

As President of the Chair Court of the Conference of European Constitutional Courts (CECC), I would be grateful if the application of the Constitutional Court of Kosovo for the status of the Associate Member could be considered at the XVIIIth Congress of CECC, pursuant to its Article 6 [*Access to membership*] of the Statute.

For your consideration and in accordance with Article 6 (5) of the Statute of CECC please do find attached with this letter of application:

- (a) The legal instruments governing the establishment and composition of the Constitutional Court of the Republic of Kosovo and the appointment and status of its Judges;
- (b) The texts establishing the nature and scope of its jurisdiction;

Looking forward to future membership of our Court to the Conference of European Constitutional Courts.

Respectfully,

Arta Rama-Hajrizi
President
