

RESOLUTION IX

The Circle of Presidents of the Conference of European Constitutional Courts, convened in Bucharest on 15 and 16 October 2009 to the Preparatory Meeting of the XVth Congress of the Conference of European Constitutional Courts,

Recalling its previous resolutions for continuation and further strengthening of the co-operation with the European Commission for Democracy through Law (the Venice Commission) and taking into account the wide range of services provided by the Commission, which includes the CODICES database comprising the case-law of European, but also non-European Courts,

Having regard that, by virtue of co-operation agreements between the Commission and non-European Courts of various linguistic/regional groups (ACCPUF, Ibero-American, Southern African, Arabic), only their logos now figure on the CODICES database, although the database has originated in the European Courts case-law,

Having heard Mr. Schnutz Dürr, Head of Constitutional Justice Division in the European Commission for Democracy through Law (the Venice Commission),

Has unanimously decided:

The European Commission for Democracy through Law (the Venice Commission) shall be authorized to use the logo of the Conference of European Constitutional Courts on the CODICES database.
